

# GORDON JOHNSON AWARD

For Part-Time Teachers

## About

Having served as an ESL editor and sales representative over the course of his forty-year career, Gordon Johnson valued the creativity demonstrated by many ESL instructors. This award was created in his honor to support the development of ESL classroom innovation. Professional development plays an essential role in cultivating this creativity. For it is through this additional training that teachers frequently derive innovative strategies and materials for their ESL learners.

## Prize

**A 1-year CATESOL membership**

(Up to two teachers will be selected on the basis of their applications.)

## Eligibility

Part-Time ESL teachers who currently instruct at any age level in California.
